Dear Customer,

**Re: Export Control and Country of Origin status – Datamate.**

I can hereby confirm that the complete range of standard Datamate products (including all part numbers listed on the website or in the catalogue starting M80- or M83-, and all possible variations of Mix-Tek Datamate) meet the following criteria:

- The products are completely designed and manufactured at our UK headquarters location in Portsmouth.
- The products are classified as commercial items according to UK export law, and as such do not have any export restrictions relating to the product.

If you have any further questions regarding this letter, please do not hesitate to contact me.

Yours faithfully,

Miss Wendy Jane Bourne, BEng  
Technical Marketing Engineer & RoHS Compliance Project Manager
