Cookie Policy

We take the privacy of visitors to this website very seriously. The purpose of this cookie policy is to inform you about the types of cookies we use on this website, and via our Service.

What Are Cookies?

Cookies are small text files that your web browser creates and stores while you are viewing the website. We use cookies in connection with the Service and the Website in order to enable our users to log in, manage their preferences and make sales enquiries with the best possible experience.

You may set your web browser to notify you of cookie placement requests, to decline cookies completely or you can remove all cookies. For more information about cookies please visit: http://www.aboutcookies.org.uk/

WHAT COOKIES DO WE USE AND WHY?

There are three different types of cookies we use on the website; essential cookies, functional cookies and performance cookies.

ESSENTIAL COOKIES

Essential cookies are vital to the successful operation of our website, for example these cookies allow you to login and download CAD drawings or order an evaluation sample.

Cookie	Name	Purpose
User session	PHPSESSID	Used to store a unique identifier for your session. This cookie is deleted when you close your browser.
Wordpress login	wordpress_logged_in_[id]	Used to store a unique identifier for tracking Wordpress login status.
Wordpress login	wordpress_sec_[id]	Used to store a unique identifier for tracking Wordpress login status.

FUNCTIONAL COOKIES

Functional cookies help to make your experience of our website as personalised as possible by recognising when you return to our website, for example these cookies will remember your language preference so you can browse instantly.

Cookie	Name	Purpose
Cookie policy acceptance	cookies accepted	Used to store a unique identifier for your session, providing a mechanism for persisting information between web pages. This cookie is deleted when you close your browser.

Cookie Policy

PERFORMANCE COOKIES

Performance cookies help us to analyse all website visitors use of and experience on our website so that we can continue to improve the layout and user experience overall.

Cookie	Name	Purpose
Hotjar	_hjIncludedInSample	This session cookie is set to let Hotjar know whether a visitor is included in a random sample which is used for site performance analysis.
CloudFlare unique ID	__cfduid	Used to store a unique identifier for your session and apply security settings and improve site performance per user.
Google Analytics	_ga	Used to differentiate users.
Google Analytics	_gat_[id]	Used to control request rate.
Google Analytics	_gid	Used to differentiate users.

All unique ID's are randomly generated and have no public way of linking to users personal data.

Anonymous Access

You can access our Website home page and browse our site without accepting cookies or disclosing any personal data, however this may result in a limited experience of the website.

Automatic Collection of Information

- We do not automatically log personal data nor do we link information automatically logged by other means with personal data about specific individuals.

- We do not use cookies to store personal data nor do we link non-personal information stored in cookies with personal data about specific individuals.

Managing Your Cookies

You can review and amend the cookies you accept on your web browser at any time and for any website. For more information about managing cookies please visit https://www.aboutcookies.org.uk/ .
