

## Environmental Legislation Statement

Harwin monitors and complies with the following legislations and initiatives:

- **EU RoHS.**
- **EU REACH.**
- **Conflict Minerals.**
- **PFOS/PFOA:** Perfluorooctane sulfonates is a restricted substance and Perfluorooctanoic acid is also reported to be both carcinogenic and toxic. We are confident that no PFOS/PFOA is present in any Harwin product placed on the market.
- **ELV:** Any Harwin product compliant with The RoHS Directive will also comply with The EU's ELV Directive (2000/53/EC).
- **Ozone Depleting Substances:** Harwin products do not contain any ODS.
- **Radioactive Substances:** These are not present in any products supplied by Harwin.
- **Asbestos:** This substance is not present in any products supplied by Harwin.
- **Biocidal Products Regulation:** No substances controlled by The BPR (EU Regulation No: 528/2012) are used within any Harwin product.
- **Packaging and Packaging Waste Directive:** Harwin place a requirement upon all their packaging vendors to ensure compliance with EU Directive No: 94/62/EC + amendments.

Harwin monitors, but is not required to comply with, the following legislations:

- **China RoHS.**
- **Other RoHS legislations worldwide.**
- **WEEE:** As Harwin's products are not EEE, Harwin do not have any obligations under EU Directive 2012/19/EU. Note that all EEE owned and used by Harwin is responsibly disposed of at the end of it's working life, as directed by the UK requirements of the WEEE Directive.
- **The EMC Directive.**
- **The Batteries Directive.**
- **California Proposition 65.**

Harwin is aware of the following subjects and initiatives:

- **Halogen-Free Plastics (elimination of Chlorine- and Bromine-based flame retardants):** Harwin are considering our options on both existing products and new developments.
- **AD-DSL:** Please cross check with the target product's Material Composition document.
- **GADSL:** Please cross check with the target product's Material Composition document.
- **IMDS:** Harwin are registered with the IMDS database and can declare and propose a product on request. Please email The Compliance Team with the part number(s) and your company's IMDS ID.
- **CoRAP:** The substances listed within CoRAP are not regulated or restricted but Harwin continue to monitor this list and will review any action required when relevant.
- **EPEAT:** As a component manufacturer, Harwin are not directly affected by this voluntary scheme.

Harwin's EU REACH statement and Conflict Minerals CMRT can be found at [www.harwin.com/harwin-values/environment/](http://www.harwin.com/harwin-values/environment/). EU RoHS and Material Composition statements are on individual product pages – search for the part number at [www.harwin.com](http://www.harwin.com). If you cannot find the specific document you require, or have any questions about the above statements, please contact The Compliance Team on [compliance@harwin.co.uk](mailto:compliance@harwin.co.uk).

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information provided by our suppliers. Harwin products are components and are therefore not CE marked. This information is subject to change: Harwin operate an on-going development programme. Contact [compliance@harwin.co.uk](mailto:compliance@harwin.co.uk) for updates and further information.
