Dear Customer,

Re: Obsolescence notification for Harwin product.

Please be advised that there are a number of ranges and individual items that are now obsolete. All are obsolete with immediate effect, although some stocks may remain of a few items. Please see the attached spreadsheet (that has 2 pages) for a complete list of affected items. Most of the items are customer special products, but there are a few standard products:

- C90-001 and C90-002 series (Circular Connector Braid Adapters)
- S406-46 (Stamped Terminal Tab)

Unfortunately, we are no longer able to support these product lines.

If you have any further questions regarding this letter, please do not hesitate to contact us.

Yours faithfully,

The Product Management Team
