

Wednesday 22nd February 2023

Dear Customer,

Re: Product Change notification for Harwin product.

Please be advised that one of our Pick and Place caps has changed colour, from natural to black. This may affect vision systems used in automated pick and place systems. The following part numbers are affected:

- M80C108825C-26
- M80C108825C-26R
- M80C150319C-20
- M80C150321C-20
- M80C150836C-06
- M80C150836C-20
- M80C150836C-26

Unfortunately, we are no longer able to support the previous natural pick and place cap on these products. Black caps are now in production, and will come through on product as existing stock is exhausted.

If you have any further questions regarding this letter, please do not hesitate to contact us.

Yours faithfully,

The Product Change Team
