

Datamate **L-Tek**

Strain Relief Strap [M80-0030006](#)

What is this metal staple that has been supplied with my Datamate parts?

How do I use this part?

How do I get more?

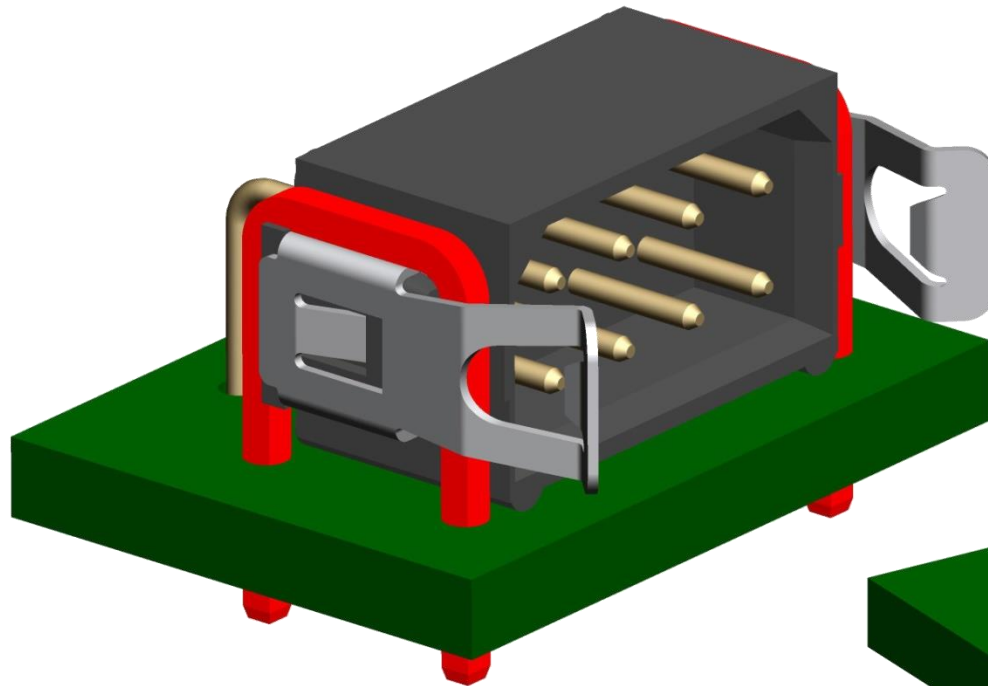

HARWIN

M80-0030006 – Strain Relief Strap

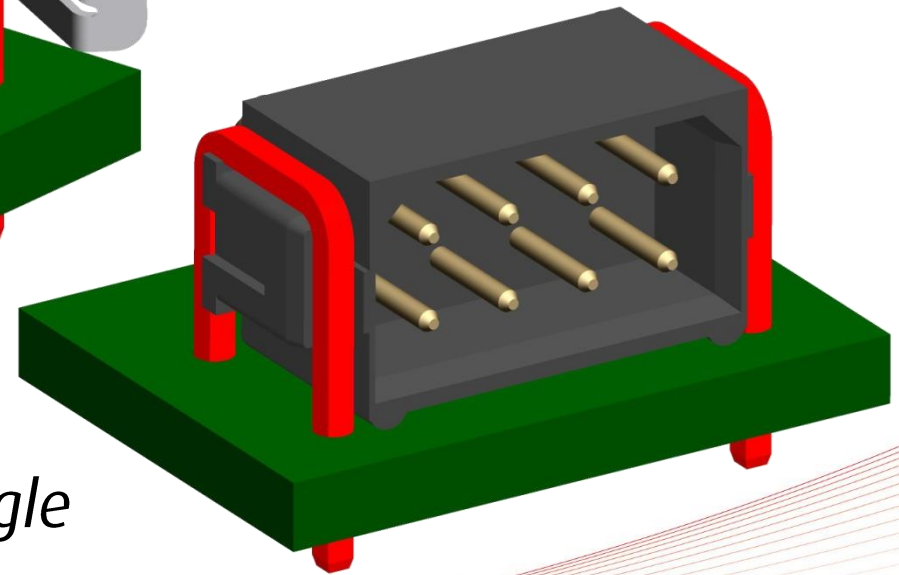

- This part is supplied with all Datamate L-Tek Horizontal Male Connectors (Throughboard and SMT).
- Each tube of connectors will have enough straps supplied for 2 per connector.
- The straps will give provide strain relief when connectors are un-mated, by taking some of the load off the connector tails.
- You can also use this part with Vertical L-Tek Male Connectors (Throughboard and SMT), but you will need to order it as a separate item under part number [M80-0030006](#).
